Policy on Forgiveness of Previously Earned Grade Policy

Purpose: The proposed policy would replace our existing Forgiveness of Previously Earned Grade Policy. The purpose of the new policy is to try to reduce the number of units that graduates of CSUCI have at the time of graduation as suggested by the CSU Academic Senate Budget Analysis Task Force.

Background: Our existing forgiveness policy allows so many units to be repeated that it may encourage students to repeat courses even when not necessary and increase the total number of units completed by graduation.

Accountability: <text>

Applicability: This policy applies to all CSUCI undergraduate students

Definition(s): <text> *(delete if not applicable)*

Policy: <text>

The Forgiveness of Previously Earned Grade Policy may be used only by undergraduate students. It may not be used by graduate/postbaccalaureate students working on master's degrees, graduate certificates, teaching credentials or by unclassified postbaccalaureate students, even when they might take undergraduate courses.

In the case of a repeated course, the subsequent grade is substituted for the earlier one in the computation of units attempted and grade point average. The previous course grade(s) remain(s) on the record, but is/are annotated as being discounted from grade point average calculations.
