## Executive Order 971 Supersedes SP 02-16

**Policy #: SP 02-16**

**Drafted By: Student Academic Policies and Procedures Committee**

**Policy:**

CSUCI's SP 02-16 Policy on Double Degrees has been superseded by CSU Executive Order 971 Awarding of Multiple Degrees at a Single Commencement. The Channel Islands policy on double degrees allowed that in the case of a student completing a BA and BS degree, only one major would appear on the student's diploma.

Executive Order 971 allows the recording of two or more majors on a student's diploma.

The consent agenda acknowledges the fact that Executive Order 971 Supersedes SP 02-16.
