

Clickers - Turning Technologies Audience Response System

What is it?

TurningPoint audience response system allows students to participate in presentations or lectures by submitting responses to interactive questions using a ResponseCard

What Clickers can do for your teaching?

- Enhance classroom interaction
- Facilitate small group cooperation and student-to-student interactions
- Get just-in-time feedback from students
- Assess student understanding of the key concept
- Provide faculty the opportunity to fine-tune their instruction based on student responses
