

Faculty Best Practices

We are collecting information from faculty at CSUCI about what works in their teaching and the lessons learned in using instructional technology. The following is a list of those best practices from faculty. If you have any new ideas that worked especially well in your classroom, please contact Qing Hua Yu (Alison), and we will post here to share with our colleagues.

1. **Using the Assignment Tool in CI Learn**
Dr. Barbara Thorpe, Professor of Nursing
 - a. [Video](#)
2. **Lessons Learned - Assignment Tool**
Dr. Barbara Thorpe, Professor of Nursing
 - a. [Video](#)
3. **CI Learn Survey Tool**
Hovig Tchalian, Professor of Business and Economics
 - a. [Video](#)
4. **Creating Weighted Grades in CI Learn**
Dennis Slivinski, Professor of Mathematics
 - a. [Video \(Caption\)](#)
 - b. [Instructions on Creating Weighted Grades](#)
