- IV. **Event Reports**
 - 1. **SPB Retreat Follow-Up: possibly change location for next time around, be more informational, and everyone please stay the night (this is a bonding time). Chelsee compiled all of the information from the event for the '07 – '08 calendar. We'll be voting on this for next week.**
 - 2. **Condoms and Candy event Follow-Up: it was a passive event but we were able to get rid of all the condoms and candies, possibly change location for the next time around, better advertising, and people were pleased w/ the variety from the Health Center and the knowledge given on Abstinence.**
 - 3. **Coffeehouse Follow-Up: 10 – 15 attendees showed up, poetry section disappeared, MWGSC didn't show up.**
 - 4. **Ice Skating and Broom Ball event Follow-Up: 224 people showed up, the broom ball section was hardcore & violent, there was an enormous male population that showed up for this event.**
- V. **Co-Sponsorship Opportunity**
 - 1. **The Spring Gala wants an estimation anywhere from \$1000 - \$2000 for the event. They want manpower & advertising/funding, pay for decorations.**
 - 2. **The Art Sale wants food and drinks, it isn't geared towards students, there isn't any student involvement, we don't know if the funds are going towards a charity. They want \$200 for the event, this isn't an SPB responsibility, we don't want to sever ties w/ the Art Department, we don't know if this is even in our budget, and we don't know if they want us to Street Team this event. This event is more for community members.**
