Dear Ms. Harris,

Last summer I was doing some Sherburne family research in Chenango County and while going through records at the Sherburne Public Library I found your note in the Sherburne file. dated 1993. There are so few people researching this line I decided to also leave my address in the file and to get in touch with you.

My grandmother was a Sherburne and is desc. from James Sherburne who is buried at East Hill in Sherburne, and was a Rev. war veteran. I have collected quite alot of Sherburne family data and would gladly share. My Sherburne line was primarily located in New Hampshire (Portsmouth, Louden, Barrington, ) then to NY, ( Duanesburgh, Troy, Sherburne.)

Hopefully we can be of some help to one another. I'm am hoping to hear back from you.

Yours,

*Cecil Damschroder*
