My Friend,

I am pleased to inform you that I am a candidate for the office of California Attorney General.

As a prosecutor in Fresno County I headed up the Targeted Narcotics Taskforce working with law enforcement to rid our communities of drugs and crime. While a Deputy DA in Santa Barbara, I worked in the Consumer Business Law section standing up for consumers. During my 8 years on the California Coastal Commission, I fought to protect our coast. I have been honored by law enforcement, the Humane Society of the United States, Planned Parenthood and Equality California. My record as a legislator has demonstrated my commitment to public safety, environmental protection and civil rights.

California's families are entitled to feel safe in their homes, schools and neighborhoods.

California needs an Attorney General who understands what it takes to protect what we hold dear. I believe I have the kind of experience California needs. But I need your help.

You have been with me before, and I am asking you to stand with me again. June 30th is a big filing deadline for the campaign. I hope you will consider making a contribution prior to then. Enclosed is a contribution remittance envelope or you can visit my campaign website and make an online contribution at www.pedronava.com.

Your contribution will help me continue to work for you. Again, thank you for your consideration. If you have questions, please call me at (805) 899-2600.

Sincerely,

A handwritten signature in black ink, appearing to be 'PN'.
