

CSUCI to Host Event for Math-Science Teaching Strategies

WHO:

- Theodore D. Lucas, CSUCI Provost, Vice President for Academic Affairs
- Ashish Vaidya, CSUCI Dean of Faculty
- CSUCI math, science, and education faculty
- Local middle school and high school principals and math and science teachers ?
Community college and education partners

WHEN: Saturday, September 23, 8:30 a.m. - noon

WHERE: California State University Channel Islands campus, Malibu Hall, Room 140.

WHAT: At the above place and time, California State University Channel Islands will host the MAST (Math And Science Teachers) Initiative Visioning Meeting/Breakfast. Educational leadership from throughout the county will meet at CSUCI to discuss, build relationships, and identify specific strategies to meet the math and science needs of the community.

For more information, contact Jeanne Grier, CSUCI associate professor of secondary education and director, MAST Initiative, at 805-437-8987.
