Dear Liz,

Thanks for the invitation, I am looking forward to seeing you and attending what I call "A Tribute to our Beloved Bella." Serving on a panel with Gloria is an honor. I am sure I will be able to take care of all my expenses - am working on it now. By-the-way I started a new organization "Stewards of the Earth" (Protecting our Environment, Indigenous People and Collective History).

Warm Regards!

Dear Lupe:

I am so thrilled that you have agreed to come to NYC to speak and participate in the upcoming conference. It means a lot to me personally as well as the rest of the conference coordinators and organizers. The conference as you know is Saturday and Sunday, November 10th and 11th at Hunter College and you will have to arrive on the 9th since the panel we want you to speak at with Gloria, The Spirit of Houston is scheduled for Saturday morning, to begin at 10:30 am.

I am attaching an up to date list of our conference endorsers and partners (without the list of all of the elected officials/Congresswomen and other elected's who are supporting this); a listing of the roundtable plenaries and the topics of the various workshops as well as a two page short summary that explains why we are doing the conference now.

As soon as the program agenda is finalized and has all or most of all of the workshop presenters nailed down I will e-mail this to you as well. Hunter College is accomodating us and providing great space in their buildings and a beautiful theater/auditorium, the Kaye Playhouse, at 68th and Lexington Avenue where we are going to hold our plenary sessions.

Please let me know whether or not you are able to raise the funds to support your trip here.

And as I said I would be willing to pay for a reasonable hotel for you if you need me to.

Thanks so much and I look forward to meeting you again.

Liz
