## Halloween party will scare things up Oct. 26

By Stan Vansant

Do you have an idea for a unique Halloween costume? Well, this year, make sure it includes a pair of dancing shoes.

The Leisure Village Big Band, part of the LV Musicians Club, is throwing a Halloween party in the AR on Tuesday,

Oct. 26, from 7 to 10 p.m. All Leisure Village residents and their guests are welcome to attend.

Special guest Lulee Fisher, the featured vocalist at the Big Band's Valentine's Dance last February, will again join the band for this special occasion.

There will be prizes for the

best costumes as well as raffle prizes. All you need is a ticket.

Refreshments, sodas and coffee will be provided, or you can bring your own choice of beverage.

Tickets are \$5 and will go on sale in mid-October in the Rec Center lobby.

Watch Channel 25 for

details.

Questions? Call Stan Vansant at 482-6735.

Come and enjoy the sounds of a 17-piece dance band. Socialize, dance and perhaps win a prize at the Great Pumpkin Ball on Oct. 26. Costumes are optional.

## Candidates visit Village

The Current Issues Forum will present the candidates for Camarillo City Council at 7 p.m. Monday, Oct. 4, in the AR. Three out of the five seats are being contested this year, so this election will have a major influence on the future of our city. This is your opportunity to get to know each of the candidates. Ask questions and be an informed voter!

## Flu clinic set for Oct. 8 in AR

By Mary Jane Porter

Your Neighbors Care Group is presenting the annual Flu Clinic on Friday, Oct. 8, in the AR from 9 a.m. to 2 p.m. Doors open at 9 a.m.

If you have Medicare Part B, you will receive the shot at no charge. Please bring your Medicare card.

If you have an HMO, such as Kaiser, Scan, etc., you will be charged \$25. Please bring your checkbook.

The serum this year is a combination of H1N1 (swine) and the regular serum.

Here they are, our four-legged friends who meet around 5:30 p.m. every night on Leisure Village Drive between Villages 13 and 15. Fortunately, they bring along their owners and friends to share in what we refer to as "The Bow-Wow Pow-Wow." From left are Leon Kidd with Coco, Carol Hagenow, Barbara and Norman Shapiro, Warren Sullivan (standing) with Suzi, Pat Schroeder, Joe Foraker with Toby, Sharon Shoemaker, Christine Luther with Amber and Chloe, and Nancy Guirell with Corky.

## Committee exploring ways to go greener

By Patty Ecker

A group of Village volunteers is intent on looking into the future for all of us. However, you won't find crystal balls on their meeting table.

Rather, the new Clean

Energy Committee is exploring ways to significantly reduce the cost of electricity for the Village. Members are studying graphs, photos, silicon panels and reports explaining how Leisure Village – its common buildings and eventually its

residences – could become energy independent.

"It's not future science. Solar, wind and biomass power are real, and we want to find ways to lower energy costs

Please see **GREEN** on 31

With the pre-holiday season coming up, get ready for the traditional list of holiday parties and shopping opportunities at the Village.

Heading up the list is the Fall Sale, set for Nov. 6 in the Pavilion. See Page 3.

This is also a good time to remind Villagers of the safety precautions needed this time of year. Lock your car when you go shopping, and park in a well-lit area if you'll be returning to your car after dark. Most of all, keep track of all your receipts. Identity theft is on the rise.

And that segues nicely into an Oct. 16 event being held at the Camarillo Community Center: a paper shredding party. You can bring six boxes or 12 grocery bags of paper and have them shredded free of charge. This is a perfect opportunity to get rid of sensitive paperwork of a personal or financial nature that you don't want falling into anyone else's hands.

Enjoy autumn!

## LETTERS

I would like to thank all the members of Leisure Village Men's Golf Association for sponsoring and donating, along with all the other Villagers who gave both meal coupons and clothing, to help our veterans.

The Stand Down is a grass-roots, community-based intervention program created to help homeless veterans combat life on the streets. The program offers a variety of services, from showers, clean underwear and clothing to books and free medical care.

Your generous donations made the 2010 Ventura Stand Down on July 30, 31 and Aug. 1 a great success.

Thank you all for your participation. This experience has really shown that, as a community we can make great things happen.

— John Wirtz, president  
LVMGA

To the Players Guild "Broadway Potpourri" cast and crew, I would like to express my gratitude to you, with special thanks to Joyce Belcher. I want you to know that I may have planted the seed for the show, but it was your dedication and hard work that made it grow.

So, although this notice is a little bit late, I thought you were all great!

— Belle Lorand, V. 3

## VILLAGE HAPPENINGS

### The Wry Eye

By Joseph Benti

What drives some to scare us all  
With mischievous rumors and stories tall?  
Warning us of costly plans  
And choices taken out of our hands:  
Big ideas for a high class gym;  
Another for a building on the Annex Rim;  
And blue sky visions of a solar park,  
About which we are said to be in the dark.  
But the mongers ignore the real bottom line,  
There are no hidden plans ... and nobody's lying.

### Lapidary student wins at fair

By Fred Ervast, V. 26

Felicite "Fil" Barton, a resident of Village 34, won a blue ribbon and a red ribbon each at the recent Ventura County Fair for her lapidary work.

The entries included her cabochons and wirewrapping jewelry she learned in her lapidary classes in Leisure Village. The cabochons were made from rocks found in the Lapidary Room and from "native rocks" she found in recent rockhunting trips.

Barton was instrumental in founding The Stoners, a club recently organized to promote lapidary classes and to conduct classes in beading, wire wrapping, and making other forms of jewelry.

Fil has been a lapidary student for more than three years. Congratulations, Fil!

## REALTORS CORNER

# 4 factors affect home pricing

By Sharron Parker  
Troop Real Estate, Inc.

There are four factors that affect the selling price of a home: location, correct pricing, condition (both interior and exterior) and marketing exposure.

A professional Realtor can determine the value of your home with a Comparative Market Analysis. It is imperative that you carefully examine information regarding comparable homes that have recently sold in your area, as well as comparable homes that are currently listed. You and your Realtor should carefully review this data, and by comparing the prices of similar properties, a fair market value for listing price can be established.

Most people like to leave a little room for a buyer's negotiation;

however, listing your home too high may scare prospective buyers away.

Effective exposure now requires that your home be available to prospective buyers on the Internet, utilizing the Multiple Listing Service as well as many real estate Web sites. Your Realtor should make sure that the information regarding your home is available to as many prospects as possible.

Showing condition of your home is very important. Take a good, hard look at the inside and outside of your home. If you see anything that looks like clutter, get rid of it or pack it up. Remember, buyers are turned off by signs of dirt and disorganization. A fresh look is very important!

— Sharron Parker is a Realtor with Troop Real Estate, Inc. She can be reached at 443-1998.

# Interfaith gathering set for Nov. 23

By Carol Cannell and Gail F. Wander

Next month our annual Inter-Faith Gathering will be held at 7 p.m. Tuesday, Nov. 23, in the Assembly Room. Please take note the program has been moved to Tuesday evening, rather than Wednesday evening as in previous years, so we can accommodate many more Villagers.

The co-chairs of the committee, Carol Cannell and Gail F. Wander, are working together with three additional committee members to bring you a warm, welcoming and fun evening. We have invited the Performing Arts Chorus, directed by Kristin Hicks, from Tierra Linda

Elementary School to sing for you. Our very own Leisure Village resident, Rabbi Moshe Rubinstein, of the Jewish faith, will host the program and is the main speaker. Deacon Bob Fargo will represent the Catholic faith as he gives the invocation, and Pastor Dennis Stirewalt, also a resident of Leisure Village, will represent the Protestant faith as he gives the benediction.

A variety of delicious cookies and home-baked cupcakes will be served with coffee, tea and punch following the program. All Villagers and guests are welcome. No reservations are necessary.

## Why Does Rep. Gallegly Want to Gamble With Our Security?

As seniors, we rely on Medicare and Social Security in these uncertain economic times. If Gallegly and his colleagues had gotten their way with their Social Security privatization scheme, our financial security would be even less certain today.

Elton Gallegly does not have our interests at heart:

- ✓ In 1995, he voted to cut Medicare.
- ✓ In 2004, he praised George W. Bush's plan to privatize Social Security.
- ✓ In 2009, he voted again to allow cuts to Social Security and privatization of Medicare.

### Vote for a leader who understands our concerns and will listen to us.

Tim Allison is running to replace Gallegly in Congress. Tim pledges to defend Social Security and Medicare from cuts and privatization.

And vapors of fairie dust

You've nothing to fear.

Grant them their wishes

### Women's Club

By Eldora Barton

We will start the month of October off right with some fine music from the Jazz Combo from Adolfo Camarillo High School, directed by John Stava. Their performance is outstanding. The combo will appear after a short general meeting on the first Thursday in October, Oct. 7, at 1:30 p.m. in the AR. Come early and browse the handiwork of the Workshop, which will be on display. See's boxed candy, certificates and suckers will also be on hand.

The following month we will see another new face in our line-up of entertainment. Don't miss the meeting on Thursday, Nov. 4, where we will meet baritone Patrick Bell, whose performance is billed as "Opera-Kadabra." Opera and magic collide with spectacular results as classical opera arias are artfully ornamented with visual magic. This is

a one-of-a-kind show. Be on hand for a fun afternoon.

More is coming in November with our Holiday Bazaar and the myriad of items to be offered. Those who knit, crochet and do crafts have a lovely array to offer. There will be holiday decorations – yes, it is getting to be that time of year – and household items to intrigue us all. The Workshop will be open for bazaar sales in the MPR on Monday, Nov. 8, from 3 to 7 p.m., and on Tuesday, Nov. 9, from 9 a.m. to 1 p.m.

There was a September appreciation luncheon honoring those participating regularly in the Workshop, the Board and our friendly Woodshop guys who often help us out. Thanks to one and all.

Please keep in mind a contribution to Food Share, Campbell Soup Labels and Box Tops for Education coupons. There will be a list of a few items carrying the coupons on the back table at the general meeting. They appear on dozens of everyday products. Take a look at the list and then around your cupboards.

### Bowling League

By Marty Simons

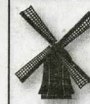

The season is off and running with 18 teams, two more than last year. Welcome back to everyone and a special welcome to the new bowlers.

For Week 1, there were four 200 games; John Albany 218, Leonard Belcher 213, Vivian Hurst 204 and Stan Feldman 202. Side pot winners were Leonard Belcher, Stan Feldman and John Albany for the men, and Joann Fisher, Sonia Hughes and Vivian Hurst for the ladies.

Week 2 saw Bob McQuivey with a 214, Ray Cass a 206, Vivian Hurst 203 and Stan Feldman 200. Side pot winners were Ray Cass, Bob McQuivey and Al Schuster for the men, and Vivian Hurst, Joann Fisher and Helen Hartman for the ladies. Pretty easy to spot the "sandbaggers."

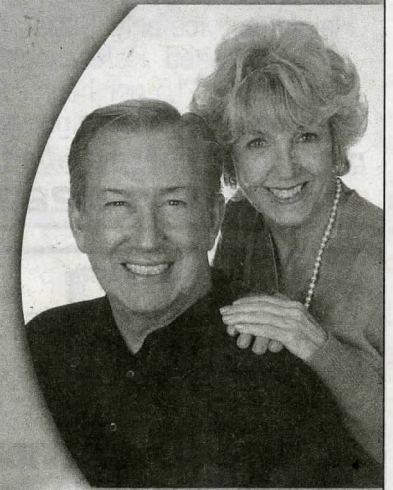

Although your correspondent was out of town, the word is that everyone

## Village Arts

By Rita Linsey

At the upcoming Village Arts meeting on Wednesday, Oct. 6, at 1 p.m., Phyllis Doyon will critique members' artwork with an eye on "What's Wrong With This Picture?"

This is the third or fourth year she has done this for the Village Arts, and is it an instructive, popular event. Phyllis is a board member of the National Watercolor Society, member of the Collage Society of America, the Channel Islands Art Center, the Thousand Oaks Art Center and Women Painters West.

Phyllis has had 47 solo shows, and her paintings have been award winners at numerous exhibitions. She is a powerhouse of output and creates nearly 500 paintings each year. She has her art showing in 95 organizations and has given 60 art demos to the public. She has been teaching for the past 30 years, holding classes for both children and adults in her spacious studio in Camarillo.

Village residents are invited to see the critiqued artwork and other members' artwork at the Annual Arts & Crafts show on Sunday, Nov. 14, in the AR.

At our Sept. 1 meeting, members discussed club accomplishments and planning events for next year.

— we hope you will continue to do so! — and also to celebrate those who have served our country with their service or by supporting servicemen over the years. One does not need to be a veteran or their spouse to attend. Tickets will be distributed in mid-October; watch LTV and posters closer to that date, which will be in the lobby for information. Tickets will be limited to two per household; you can bring anyone — friend or family member — with your tickets. Dig out those pictures of you and/or your loved ones for display at the party.

The next event on the planning board is an Italian night with, perhaps, a sweetheart theme for February. Your Boosters will again be in the kitchen preparing the meal from scratch, so when the date is finalized, be sure to mark your calendars.

The eight chafing dishes purchased by the Booster Club are now available for lending. If you wish to borrow any or all of the eight 8-quart beauties for

an upcoming event, please call Wilma Hutson at 383-2022 for details.

The library will soon be sporting new wooden shutters, replacing the vertical blinds. This Booster donation was approved at the last Open Board Meeting, so they should be installed soon.

Five, four, three, two, one — and they are gone. There are five remaining bricks to be sold in our Walk of Celebration. Please call Marilyn Riveles at 383-5706 to order yours at \$200 each, with engraving.

The Boosters meet in the Garden Room on the second Tuesday of each month at 6:30 p.m. for refreshments, with the business meeting starting at 7 p.m.

Plan to attend our Oct. 28 meeting at 7:30 p.m. in the MPR. The meeting will follow our annual Veterans Club dinner at 6:30 p.m. Our guest speaker is former FBI agent and author, James Botting, who served 25 years, 16 as a crisis/hostage negotiator. Vice President John Palmer ran another wonderful Harvest Picnic for the LV Men and LV Womens Clubs and their families on Sept. 28. There was breakfast and a putting contest in the morning with a picnic in the Park in the afternoon. This was a real treat with hamburgers, hot dogs, accoutrements, beer, wine and soft drinks, all for just \$5.

We're working on the "Free" Tournament and Luncheon at Wood Ranch Golf Course for one Thursday before 2011. More info will be made available as it develops. If you want to participate call Mannie or Ernie. We are limited to 24 players and probably will get more than we can accommodate. If that happens we will try to get another date for more men.

Pat Gunning is preparing a "Golf

Quiz Contest" that will describe rules and questions that you should answer as true or false. Correct answers will get you to the next question and so on until one person remains. A prize will be given to the winner. The idea is to familiarize us with golf rules and etiquette. This should be a good education tool.

Secretary Bob Reveles has proposed a new "Match Play Tournament" to be played along with the regular Tuesday tournament at our LV course. He has a sign-up sheet available to see if we get enough people to play. The fee will be charged to make a prize pot. There will be two brackets — one bracket for "Niners" and another bracket for "18ers." More details will be posted as he develops the program. First he wants to see if such a contest generates enough interest. He will send out info by e-mail and post it at the course. Call Bob if you have questions.

Every male resident is eligible for membership in the LVMGA. By joining our club he can play in our home course tournaments, attend our

social functions, attend our monthly meetings, participate in our handicap system and play in our regulation course tournaments at many of the public courses in an area from one to 30 miles around Leisure Village. Do some recruiting to get new members!

Watch for the signs at the course and LVTV (Ch 25 or 995). Be sure to be included in the e-mail roster so Ernie Ohmstedt can keep you up to date from time to time as good things happen. If you don't have e-mail, talk to your kids or grandkids and see if they have an "old" computer that they can set up for you for e-mail. Once you get one you will wonder how you ever lived without one.

## Camera Club's September winners

By Marion Green

September brought us back to our twice monthly meetings. Our first one was a competition meeting, and we welcomed back returning judge Dan Holmes, professional photographer, with the daunting task of judging the 79 member pictures.

The assigned subject was Photojournalism and/or Action. The first-place winner was also a first-time winner, Georgia George. The second-place winner was Florence Gillman, and third-place winner was new member and first-time winner, Charlie Hartman. Jack Caldwell

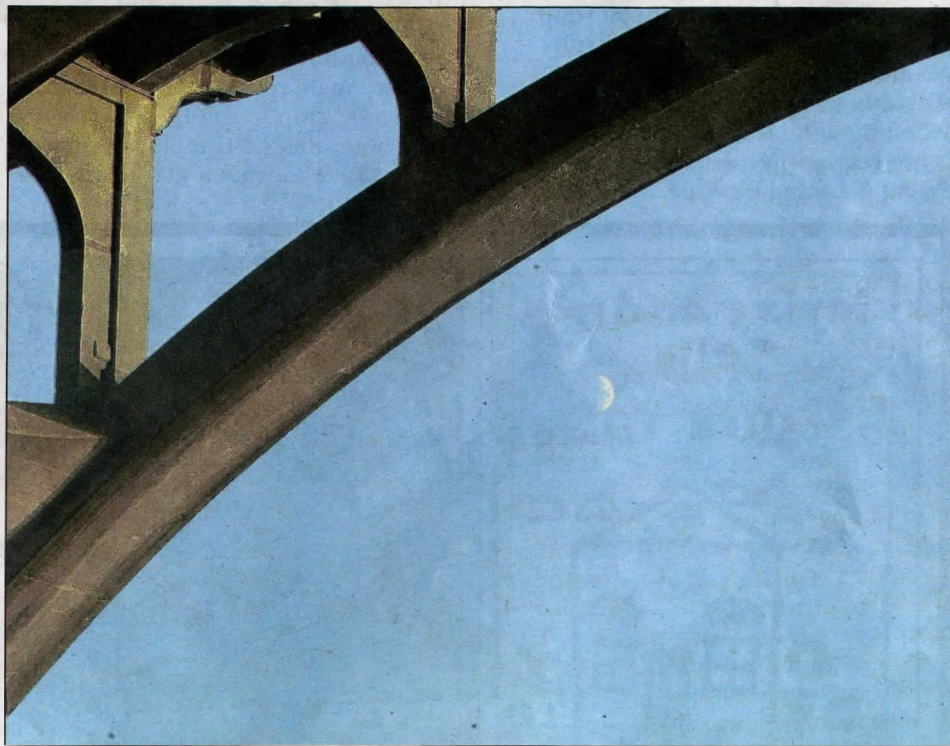

and Jerry Spector won Honorable Mentions.

In the Open category, which accepts photographs of any subject, Jack Caldwell won first place, and Jean Kohut, another new member, won her first ribbon for second place. Another first-time winner, picking up a third-place ribbon, was Gordon Twa. Marlene Votion and Bob Sandusky received Honorable Mentions.

In the Creative category, first place went to Jerry Cohen, second place was won by Betty Murray, and Marlene Votion received third place. Honorable Mentions in this category

went to Lora Treadwell and Jerry Spector.

We will be having our annual election in October and will be looking to fill some open positions.

The assigned subject for the October meeting will be Transportation. We would like to encourage everyone to come to our meetings. As you can see, we had new members win ribbons for their

entries. You too can be one of those ribbon winners. We welcome new members for their inspiration and new ideas.

Everyone is invited to view the judging process on the first Wednesday of the month. Members are always enriched when they experience the critique of a professional photographer. Refreshments are served.

# LV shows it's prepared for disaster

By Ted Lansing

The August meeting of the Community Associations Institute (CAI) was singularly different. First of all, the subject matter was unusual: Emergency Preparedness. Instead of the usual speakers — suppliers of goods or services to community associations — three of the four speakers were none of these.

First was Laura Hernandez of the Ventura County Sheriff's Office of Emergency Services, who spoke about what the county has done to respond to emergencies, including the Emergency Command Center at the County Government Center, and preparations individuals can make to be ready for the inevitable disasters that may affect our county.

She was followed by attorney David Swedelson, who discussed various legal aspects of homeowner associations setting up methods for responding to emergencies and possible liabilities that might arise from them.

Next, Battalion Chief Dave Chovanec of the Ventura County Fire Department spoke about CERT (Community Emergency Response Team) training and activities in the county. All CERT class instructors are VCFD professionals with expertise in emergency management, under grants from FEMA. He included a video describing how CERT-trained citizens might respond to an earthquake in their neighborhood.

Following Chovanec was your reporter. Leisure Village was chosen by CAI to give a homeowner association's perspective on emergency preparedness. I received a call from the program organizer, Linda White, inviting me to speak about Leisure Village and our emergency preparations. I was very pleased to have the opportunity to tout our little paradise in the CAI forum.

We took along a rather classy PowerPoint presentation and a display of posters and printed information that CAI graciously allowed space for. The graphics were supplied by the Recreation Office staff and were of excellent quality.

The talk covered as much as could be fit into the short time slot available, and included EPO/EPC organization, Communications, Emergency Supplies, CERT in the

Village, and the mobile Emergency Command trailer recently completed by the Security and Safety Department. This trailer was on display in the parking lot after the meeting for all to see. All in all, we tried to illustrate, in depth, the degree to which Leisure Village is prepared for possible disasters.

Finally, Swedelson described the legal aspects of CERT activities in homeowner associations, the Good Samaritan laws, and implications of liabilities that are pertinent when an association takes on responsibilities that may not be required by law.

In addition to the LV board members, also present were Bob Scheaffer, general manager; Mary Hurt, assistant general manager; and Security Chief Manny Segovia. The LV EPO was represented by Loye Bohannon, Dr. Alan Caldwell, current EPO Chair Karen Dundas, Linda Fisher, Hanna Huber, Sharon Loney and Marge May.

A substantial amount of information was provided to the CAI members present, and a good amount of public relations currency was accumulated by LVA.

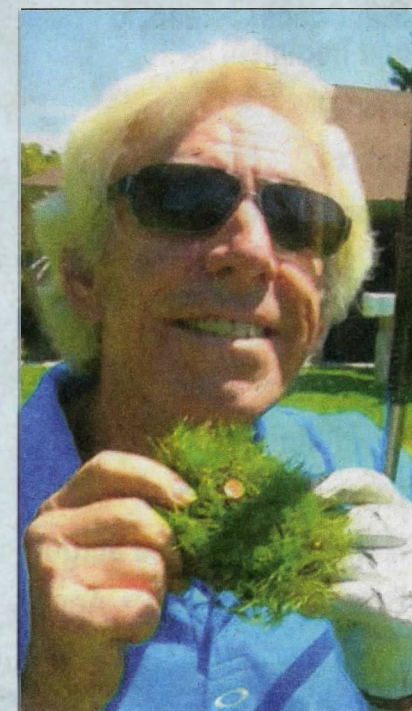

## Devilish divots on the 18th

By Joseph Benti

On two separate occasions, while playing the 18th hole, one of my fellow golfers, Norm Chapman, in the red shirt, and Bob McQuivey, of the flowing, post-board president locks, created good-sized divots in which their tees were embedded.

I proposed they replace the divots, leaving the tees in them, thus saving the Village and at least two subsequent golfers the cost of reseeding and new tees.

singing as well. We also get a group of men up to sing and other times a group of women up to sing together. This group has a lot fun, so why not try it some evening? Come and bring a friend for our October meetings.

### Writers Club

By Lois Keeler

Summer slowed us down a bit, but we are still enjoying new members all the time.

I started telling you about the interesting people we have in our group, and here are a couple more.

Ruth Kent joined the United States Cadet Corps during World War II and completed a three-year course in nursing. She also worked as a nurse at St. John's Hospital and the Camarillo State Hospital.

Another of our members and the leader is Kenney Nelson. Kenney joined the Air Force in 1942, attended

intelligence school and went into the 100th Bomb Group. He was trained as a photo interpreter in the intelligence service, spending 22 years in the military and 12 years in Naval Intelligence. Kenney was a world traveler, circling the earth one time, and has been on every continent except South America and Antarctica.

These are interesting people with interesting lives who bring us interesting stories. Please come and meet them in person. We meet every Monday at 1 p.m. in the MPR. See ya!

### Single Active Seniors

By Zelda Greentree

It's time for some culture! The SAS meeting on Tuesday, Oct. 12, at 7 p.m. in the MPR will feature Villager Reggie Katz, artist, sculptor and painter. Reggie will present a program exhibiting some of her works of art, and she will present a beautiful slide show of the many items she has produced through the years. We look

forward to a wonderful evening with Reggie.

On Tuesday, Oct. 19, at 7 p.m. in the Annex, our monthly movie will be, "The Young Victoria," starring Emily Blunt, Rupert Friend, Jim Broadbent, Miranda Richardson and Mark Strong. The story effectively lays out how Victoria outsmarted her enemies, assumed the UK throne, found herself a stable husband and settled in for a 63-year reign.

She sounds like a great role model! Keep looking for our posters, listening to our phone messages, watching our TV notices and coming to our meetings. We have great programs and parties still ahead this year!

### New York Club

By Bob Prowler

The popular Joey Aaron, singer and guitarist, is the star of our Thursday, Nov. 4 program, at 7:30 p.m. in the AR. After a brief general

meeting, sit back and enjoy an evening of smooth entertainment from the romantic to sunny humor.

For those who laughed through the Dean Martin September meeting video featuring an uninhibited cast of dozens of famous headliners shown at their raucous best and last night's fabulous Ice Cream Social, you'll want to renew your membership.

All Leisure Village residents are invited to join the club, and you never have to have lived in or enjoyed the wonders of New York! Annual membership to general and members' only programs is only \$7 — a real savings over the \$3 per show. For more information, call Leatrice Posner at 388-6440.

# BOB RUST

## for PVSD BOARD

Camarillo local **BOB RUST** is running for a seat on the Pleasant Valley School District Board. Here's why:

"I believe the Board has been less effective and more discordant than necessary over the past many years. Badly handled school closures; shuffling of principals, superintendents, and school sites; and unhappy teachers, parents, and staff have all negatively impacted what and how the students are learning. I want to help change that. If elected I will:

- be a bridge and consensus builder
- help towards solving the District's problems
- be available to community members
- be transparent in all my dealings
- listen to parents, teachers, and students
- help the board, teachers, and classified employees work together

I have a lifetime of involvement in this town and its schools, with grandkids now coming through. I invite you to check out my campaign, and learn why you should care about this race even if you don't have kids in school."

## Farmers Club

By Joe Foraker

Members of the Farmers Club have recently greeted a bountiful variety of vegetables that includes tomatoes, green beans, zucchini, and cucumbers (regular and Japanese) and many others.

Some members have chosen to cover their depleted patches with black plastic to prevent weeds from flourishing. Those who do are using the patch about half the year. The weeds will be suppressed and will not go to seed. Uncovered patches can still be planted with many fall and winter vegetables. A long list is available on the Internet. The uncovered patches will be enriched by nitrogen-laden winter rains.

A few patches will be available at the end of this summer season. Call Rick Keller at 890-8936 if interested.

### Womens Golf

By Lillian Turnbull

Our exciting four-week Ringer Tournament was played Sept. 1, 8, 15 and 22, and all of our lady golfers are exhausted, but they enjoyed every minute of the tournament. We will have winners next month.

Our October monthly meeting will be Oct. 13, after golf, in the Garden Room at 2 p.m. This is our social gathering and all are invited.

On Oct. 28 we will have our Social Continental Breakfast. This is a perfect get-acquainted day. Golf will be open play. Come and join the fun.

All new residents are encouraged to check out the Women's Golf Club. You will be delighted, find new friends and get some exercise!

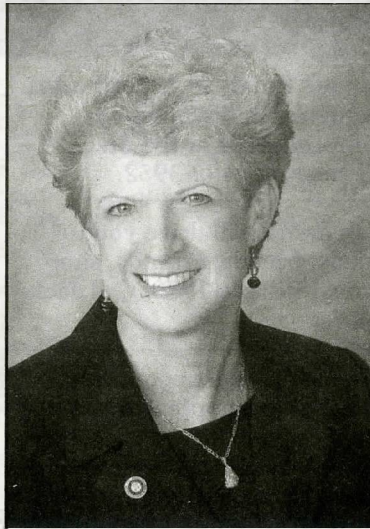

### Saturday Night Dance

By Howard Koehn

The Hawaiian Night Dance was a huge success, with everyone getting lei'd at the door by either Betty Herrmann or Walt Waldron. Andrea Moran and her "crew" did a super job with the decorations, and the Rhythm Kings kept things lively for our amazing group of dancers with a great selection of old and "real old" music.

There are five Saturdays in October. The Rhythm Kings will play Oct. 2, 16 and 30. The Black Rose Country Western Band will play Oct. 9, and Upper Hand will play Big Band and Swing music Oct. 23. This should be fun and bring back some good memories to most of us. Let's all come out and relive the "good old days" of dancing.

Hope to see you on Saturday nights.

### Hello Leisure Village Residents

My wife, Komal, and I fell in love with Camarillo 9 years ago. With the birth of our daughter, Tanzil, and the purchase of our home, we chose this wonderful city as the place we want to work, raise our family, and call home.

#### MY PLEDGE TO YOU

"As your city council representative, I will work with the business community, public safety units and our diverse neighborhoods to develop sound policies that will make Camarillo not only a city that is prosperous economically, but provides a healthy, safe, and nurturing environment for our children, seniors, and broader community." *I would appreciate your vote on November 2, 2010. Together we can improve and build our community.*

### GREEN

Continued from 1

permanently," explains Committee Chair Bob Ellis.

Committee members emphasize that they are only investigating.

"We are not committing to anything. Nor are we on a timetable," explains Don Marquardt, who proposed the committee and serves as its liaison with the Village Board of Directors. "This is not about political things like global warming. This is simple: Are there alternative ways to produce electricity that would reduce our electric bill?"

Exploring green energy for the Recreation Center is the initial focus of the committee. Currently, the electric bill for that complex is \$6,000 a month. Is the building suitable for solar panels that transform sun power into electricity for a fraction of the cost? A representative of a solar design company recently told the committee that it is. Villagers asked questions about how much a system would cost, what it would look like

and how long it would last.

Inspiration for the Clean Energy Committee came from the successful reclaimed water project that transformed the Village's irrigation system into an award-winning environmental model. Also led by Bob Ellis, that process from investigation to approval and installation took years. It made Leisure Village a leader in California water conservation and has already dramatically cut costs.

"Clean energy also could bring value to the Village," says committee member and retired engineer Frank Seiden. "But no decisions can be made until all options — including wind and biomass — are explored."

Eventually, members will produce reports and recommendations but will not make any energy decisions. That's the job of the Board of Directors.

Some committee members can't help looking ahead.

"I can visualize a display in the Rec Center," says Ivan Bjel, "that shows in real time just how much energy we're using and how much money we're saving."
