Today many employers are finding it tough to keep productivity rates up. Yet some have found a ready solution in hiring participants of the National Women's Employment and Education, Inc. (NWE).

NWE is an approved, non-profit, tax-exempt Texas corporation. Since 1973, NWE has been successfully helping low income women, who are family heads, stand on their own through employment opportunity.

In many cases, NWE trainees come from the ranks of the unemployed, caught in the economic trap of welfare. After months or years of poverty-level existence on the federal dole, NWE graduates find strong motivation in their newborn independence, pride and self-sufficiency. Their strong work motivation and desire for stable employment make them worthy contributors to the free enterprise system.

WHY WE LOOK GOOD TO EMPLOYERS.

As employees, NWE participants have proven to be punctual, positive, creative and loyal. Years of statistics and contact through

post-employment assistance indicate that NWE graduates stay on the job longer than most workers found through traditional channels.

NWE will help your business locate qualified employees for specific available jobs. Employees who can succeed in your company's training program. We can fill positions in construction, law enforcement, clerical, electronics, sales or whatever suits your needs. Since our program is closely coordinated with your business and its needs, we can also develop classroom training programs geared to nearly any field of endeavor.

As an employer, you have an opportunity, if you choose, to work with us in the classroom in our Employment Readiness Program to assure that the women have an understanding of your company and its specific requirements.

And NWE provides this service at no charge to you. In many instances when you work with us, you may even be eligible for the Employers I.R.S. Jobs Tax Credit (Public Law 95-600).

HOW WE CAN WORK TO CALL (512) 224-3002 or 21

When you contact NWE employee needs, we'll begin screening and testing applicants and job aptitudes needed for positions. We will prepare them through our "Skills Discovery" program, giving them with good work habits while reinforcing their motivation in your company's employment program. We also provide a support system such as assistance with transportation. And NWE counseling and other support for employees' adjustments.

It's how NWE works with hire. Enabling them to give to total performance to the job.

If your business can use participants or if you would like to contribute to the program, call or send in our application.

Incidentally, your contribution is not only tax-deductible, but a meaningful step toward reforming

"The solution to resolving the many A.F.D.C. program problems is basically to assist women heads of families become economically self-sufficient so that they may be able to support their families with dignity and respect. In other words, I think it has been a mistake to focus a national program on providing services to children while ignoring the economic stability, through employment opportunities, of the family head who should be the family provider."
