Direction/Purpose

1. Create a conference for leaders of women's organizations.
2. This to lead to additional conferences which include women from all interest arenas.
3. Future conferences to address other issues addressed at Women's Conference in China.

Focus: The Role of Women in the Changing Global Economy

Goals:

1. Understand the issues inherent in the Changing Global Economy
2. Identify the best practices of women's organizations, i.e., what they are doing now to insure that women will be integral partners in the changing economy.
3. Network with facilitators in smaller workshops
4. Develop action plans
5. Present outcomes to community
