

Section 6 Advisory Committee Charges:

5. This committee will include 4-5 faculty members and 4-5 members from the community. The responsibilities of the Extended Education Advisory Committee shall include:

- a. Advising the Director of Extended Education on strategic planning efforts on an on-going basis, including an emphasis on integration with State-support university efforts, assessing community needs, and resource allocation;
- b. Making recommendations concerning policies and procedures for Extended Education;
- c. Advising the Director of Extended Education on program evaluation and assessment of student learning in continuing education programs;
- d. Encouraging faculty and community awareness of Extended Education programs.
